Dr Donald Boyd is an Inverness-based medical doctor with a long interest in public life. He and his wife have lived in the constituency for 30 years and have four adult children. He understands the Highlands and Islands well.

He was the Highlands and Islands Campaign Manager for the last Holyrood Election in which the fledgling Scottish Christian Party within four months of its existence overtook 10 established political parties to position itself just below the threshold for office.

Donald is concerned about the marginalising of Christian values in public life, and the open hostility to the practice of Christianity. The ‘not so liberal’ agenda of the Liberal- Democratic Party is eroding the liberties and toleration which once characterised the UK.

Our surveillance society, spying on its citizens instead of promoting neighbourliness through gracious influence, points to the erosion of trust which is so central to social cohesion. Donald looks for parliamentarians “to fix broken Britain” with the Christian courage of William Wilberforce, who abolished the slave trade against powerful vested interests.

Have YOU heard Danny Alexander, MP, speaking on behalf of his constituents in Parliament? Has he been serving the Lib-Dem Party or serving YOU?

As your Member of Parliament, Donald will represent YOU at Westminster.

"PROCLAIMING CHRIST'S LORDSHIP"

Election Communication - Inverness, Nairn, Badenoch and Strathspey

Christians are being pushed around.
Don't just take our word for it,
visit www.christian.org.uk

- Instead of being pushed around by unchristian laws, Christians need to change the law.
- The only way to change the law is by politics.
- Just as the major parties have adopted green issues, so we need a Christian Party to encourage them to re-adopt Christian values.

Can it be done? See how at:
www.highlandsandislandschristianparty.co.uk/questions.html

- How will YOU get Christian policies into national politics?
- The Scottish Christian Party has a way – to elect Christian politicians.

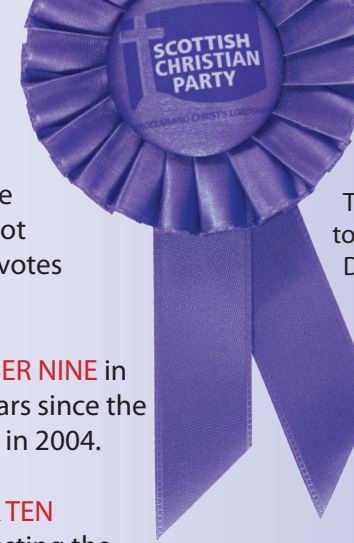

One big Highlands push
will give YOU a Christian VOICE
on global warming,
conscientious finances,
immigration, the NHS,
education and the EU.

FIVE POINTERS TO CHANGE

1. 1/4 million people voted for a Christian Voice as **NUMBER ONE** in the 2009 European Elections. These are not second choice votes, but first choice votes across the whole UK.
2. This makes the Christian Voice **NUMBER NINE** in voting strength in the UK, only six years since the launch of the Scottish Christian Party in 2004.
3. The Scottish Christian Party overtook **TEN** established Parties in our **FIRST** contesting the Highlands and Islands Region in the 2007 Scottish Parliamentary Election.
4. The Scottish Christian Party has been consistently **THIRD** in the Western Isles, ahead of the Conservatives and the Liberal Democrats, with 12.5% of the vote.
5. On 30th July 2009, Jeff Green became the first Christian Party politician in the UK, when he was elected a Local Councillor in the picturesque town of Llandrindod Wells, in Wales. This was followed by a second by-election success on 2nd April 2010 when Martin Wiltshire was elected to the same council. We must be doing something right.

ON THE MAP

You can put Inverness, Nairn, Badenoch and Strathspey on the UK map by electing the first Christian Party MP in Britain.

COERCING CONSCIENCE God's Law or Man's Law? WHAT IS YOUR M.P. DOING?

The Lib-Dem leader wants to force Christian schools to teach that homosexuality is "normal and harmless". Danny Alexander is Chief of Staff to Nick Clegg. He is responsible for preparing their Manifesto, so this is being driven through by YOUR M.P!

Do you want to support a Party that thinks like this?

IT IS TIME TO CHANGE YOUR M.P.

Tired old Labour has the same record: our present Home Secretary, Alan Johnson M.P. THINKS THE SAME!

David Cameron wants the Church of England to recognise "full equality" for homosexuals.

Why would you want to vote for the SNP who cannot deliver – even the Inverness bypass?

Britain is bankrupt morally and financially and we need fresh ideas.

*"Thy Kingdom come; Thy will be done
on earth as it is in heaven."*

It is TIME for CHANGE.
